### Viviana

Born in Varese, Italy. Had a wonderful childhood in her Mother's Jugendstil Villa Garden's, there she was raised surrounded from many species of flowers. That styled garden formed her and widened her imagination. In Kyoto this memory wakens her again. With a Japanese painter, Mr.Hiroyuki Deuchi, she learns painting and drawing. Graduated in Milano as Architect, worked as designer and coordinator of exhibition and events.

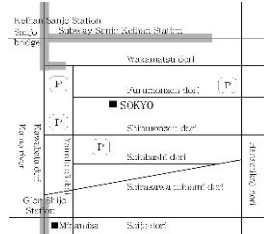

### Ayumi

Born, raised and educated in Kyoto with national and international experience utilizing excellent bilingual liaison skills and cross cultural awareness. Ayumi was taught by her father, a Japanese designer, and in the memory of her grandfather, Kakuho, who was also a great artist in Kyoto painting. She offers cultural workshops, introducing Kyoto aesthetic style in quality, tradition and design, connecting everyone to the pleasure of art.
